AEP SPAN - PREMIUM METAL ROOF & SIDING PANELS

ALASKA'S GO TO TEAM FOR ARCHITECT SUPPORT

Ron Mattfield *Experienced Sales Leader*

Ron brings over 29 years of experience in the metal building industry. With the company since 1995, Ron started as the Commercial and Architectural Inside Sales Representative. For the last 22 years, Ron has been the Alaska territory Sales Representative. His extensive knowledge of the Alaska Market and its customer needs comes not only from his expertise in the industry, but as a proud Alaskan for over 55 years.

Jeff Medeiros *Architectural Representative*

Jeff Medeiros is the architectural representative for AEP Span, and is a licensed contractor, who has been supporting architects for over 20 years. Jeff can spec-write, assist in detail drawings, and aid in any aspect of the design-build process; from initial design to complete bid-ready documents.

He holds various degrees, including law and society from UC Santa Barbara, Japanese from Waseda University in Tokyo, and he attended McGeorge School of Law in Sacramento. He is fluent in building code, bid laws, and contract code. He's well-versed in all types of roofing systems, and provides architects with a full range of services, from conception to bid.

Todd Meixner *Dedicated Project Manager*

Todd is the Project Manager for the Alaska Market and provides direct support and order management for all commercial and architectural projects. Todd has been with AEP Span for over 25 years and has been a proud Alaskan for 30 years. Todd serves to ensure customer satisfaction and efficient delivery.
