

# COUNTRY RUSTIC CORRUGATED

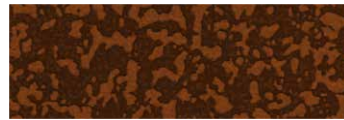

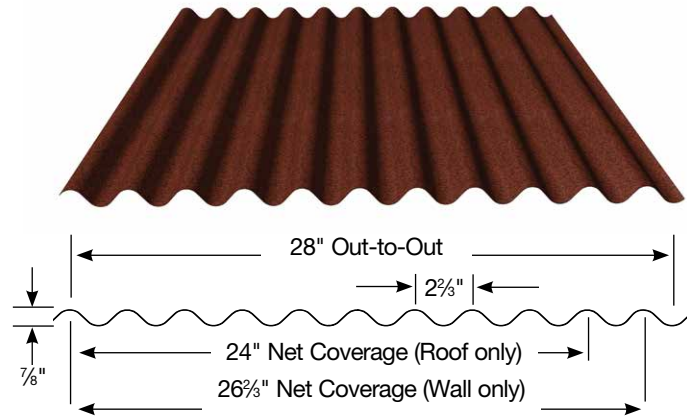

## THE AGED RUSTIC FINISH WITH THE LIFETIME SECURITY OF OUR PAINT SYSTEM

*Country Rustic Corrugated panel is a multi-functional 26 gauge steel panel used in roof or wall applications. The unique, two-color print pattern paint system provides the immediate look of a naturally rusted panel.*

### FEATURES AND BENEFITS

- Deep corrugation creates a bold shadow effect, highly desired by designers.
- Featuring a limited lifetime warranty when used in residential applications.
- Standard flashings and accessories available for a variety of roof and wall details.
